

New Short Course: Get More Out of Your iPhone or iPad

As part of our exciting plans for the upcoming club year, I'm pleased to announce a new short course designed to help you get the most out of your **iPhone or iPad!** This course will run for **6-8 weeks** and is perfect for members who are new to these devices or those considering getting one.

Whether you're just starting to explore your iPhone or iPad, or you're looking to make the most of the features and apps available, this course will walk you through the basics and beyond. We'll cover everything from simple functions to advanced tips, so you can use your device with confidence.

Topics to be covered include:

- Navigating iOS and basic settings
- Tips and tricks for productivity and organization
- Getting the best out of your apps
- Photography, video, and other creative features
- Privacy and security settings

The course will be interactive, with plenty of time for questions and hands-on practice. It's designed to help you feel more comfortable and capable with your device in a friendly, supportive environment.

Who should attend:

- Members who are new to iPhones or iPads
- Anyone thinking about purchasing one and wanting to learn more
- Those who want to make sure they're getting the most out of their current device

Stay tuned for more details about dates and sign-up information! I'm looking forward to helping you unlock the full potential of your iPhone or iPad.

Regards, Garry Curtis
